BUSINESS PROCESS

01 Approximate quotation can be :

- provided against a given photograph.
- provided based on a detailed spec of the garment, size ratio and quantity.

02 Pre-production sampling :

- Making a physical sample for which sampling and courier charges are applicable.
- if need be, our in-house design team can develop sample based on provided photographs.

03 Final quotation will be given after receiving the following :

- Sample approval.
- Garment specification.
- Size ratio.

04 Production terms and conditions :

- MOQ is 35-50 pieces per colour depending on the GSM of the fabric.
- Production Capacity :8000 pieces per month, in pandemic conditions.
- Production will only begin after receiving a written order of detailed specs.
- Payment : Minimum 50 percent advance and balance before delivery.
